

HP Pro Tablet 608 G1 (W5S82PA)

Active as of 4/21/2016

Overview

Transform and mobilize your business

Transform your business with this small stylish business tablet equipped with a brilliant, high definition display and the pervasive connectivity to mobilize nearly any business process. Choose from an expansive choice of accessories² for a customized experience.

Transform business using this powerful tablet with your choice of accessories² for a customized experience.

Easily secured. Simply managed

Get business-class security and manageability options on the HP Pro Tablet 608 with multi-factor authentication, Enterprise Data Protection, HP Client Security,³ HP Touchpoint Manager,⁴ and more.

Brilliant performance in a small package

Small, thin, and light tablet performance gets a boost with an impressively powerful QXGA display, the Cortana⁵ virtual personal assistant, plus a powerful combination of connectivity and performance to support your business needs.

Create efficiencies with mobile solutions

Tailor your experience to the needs of your business with a keyboard, cases, portable docking station and more² to customize your tablet.

Your trusted migration partner

From readiness workshops⁶ to free help with migration,⁶ HP and our partners will get your company up and running on Windows 10.¹ HP helps you prepare your environment, and implement the right solution with the right hardware.

Tablet, AC adapter, Quick Start Guide

Pre-installed software

HP ePrint; HP TouchPoint Manager; Skype

Warranty

1 year standard parts, labour and on-site limited warranty, depending on country (upgrades available), 1 year limited warranty on primary battery

Overview

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- 2 Sold separately or as an optional feature.
- 3 Requires Windows.
- 4 HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information.
- 5 Cortana requires Windows 10, experience may vary by device, region. Some features including voice supported Cortana, inking, and Continuum require more advanced hardware. See www.hp.com/go/windows10upgrade and www.windows.com/windows10upgrade. Cortana is available on Windows 10 in China. Over the coming months, Cortana will be available to customers in the Windows Insider Program in Japan and Australia, and in English in India.
- 6 HP services are optional and are governed by service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP Services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Data sheet (8)

HP Retail Case 8

Add your choice of payment solution to your HP Pro Tablet 608 with the HP Retail Case 8, which accepts most third-party payment devices so you can conduct transactions and more – from virtually anywhere.

HP Pro Tablet 608 G1 (AP English)

APJ Datasheet for HP Pro Tablet 608 G1

HP Pro Portable Tablet Dock

Expand your tablet workspace and your productivity with the HP Pro Portable Tablet Dock, an easy-to-use dock designed for the HP Pro Tablet series.

HP Pro 8 Travel Keyboard

Brief, bullet-oriented document that describes a specific product, service, partner or solution. Informs the reader about the essential capabilities and specifications.

HP ElitePad 1000 G2 Rugged Tablet Antimicrobial Hand Strap

Carry your HP ElitePad Rugged Tablet with you and add a layer of antimicrobial integrity with the HP ElitePad 1000 G2 Rugged Tablet Antimicrobial Hand Strap.

HP ElitePad Bluetooth Keyboard Case

Brief, bullet-oriented document that describes a specific product, service, partner or solution. Informs the reader about the essential capabilities and specifications.

HP Pro Tablet 608 Active Pen G1

Enjoy easy navigation and interaction with the HP Pro Tablet 608 Active Pen, which allows you to write naturally on your HP Pro Tablet 608 G1 screen and activate touchscreen functions.

HP 15W USB Type-C AC

Power and charge your tablet from its USB-C™ port with the HP 15W USB Type-C™ AC Adapter.

Tech spec footnote

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS

update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

Tech spec footnote

[10] HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information. Touchpoint Manager requires purchase of a subscription. Out-of-band HP only Wipe, Lock, Unlock and reporting of BIOS boot error codes is planned to be available on select HP EliteBooks and requires an internet connection, Intel® vPro™ technology and functions in S3/Sleep, S4/Hibernate and S5/Soft Off power states. SATA drives are wiped. The remote wipe of Self Encrypting Drives that have hardware encryption active is not supported.

Tech spec footnote

[11] HP Mobile Connect is available in EMEA only and requires a compatible CDMA or HSPA mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at www.hp.com/go/mobileconnect. Fearless Roaming is available in UK, Ireland, Belgium, Luxembourg, Netherlands, France, Germany, Spain, Austria, Switzerland and Poland.

Tech spec footnote

[12] Firmware TPM is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).

Tech spec footnote

[13] External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

Tech spec footnote

[14] Skype not offered in China

Tech spec footnote

[15] Windows 8/MM12 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

Tech spec footnote

[2] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

Tech spec footnote

[3] For storage drive, GB = 1 billion bytes. Actual formatted capacity is less. Up to 6 GB (for Windows 8.1 and 10) is reserved for system recovery software.

Tech spec footnote

[4] Wireless access point and Internet service required and not included. Availability of public wireless access points limited.

Tech spec footnote

[5] The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

Tech spec footnote

[6] WWAN is an optional feature, requires factory configuration, and use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Contact service provider to determine the coverage area and availability. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.

Tech spec footnote

[7] High definition (HD) content is required to view high-definition images.

Tech spec footnote

[8] HP ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting)
