Product Description

With fashion-forward styling, the LM340 Messenger Bag is the perfect complement for the young professional who is going places. Padded sections for your laptop and tablet allow you to safely store your devices while also keeping them from shifting around when you're on the go. There's plenty of room for all your accessories like keys or a smartphone and an organizer section keeps everything neatly configured. And when you're heading out for the weekend, the wheeled luggage pass-thru strap ensures your case stays attached to the retractable handle on your roller bag.
