

## 2 m (6.6 ft.) USB 2.0 to USB C Cable – Black

Product ID: RUSB2AC2MB

This USB C cable withstands the daily demands of charging and syncing your mobile devices. Compatible with your Thunderbolt 3 ports, this rugged cable is a must-have for both business and consumer applications.

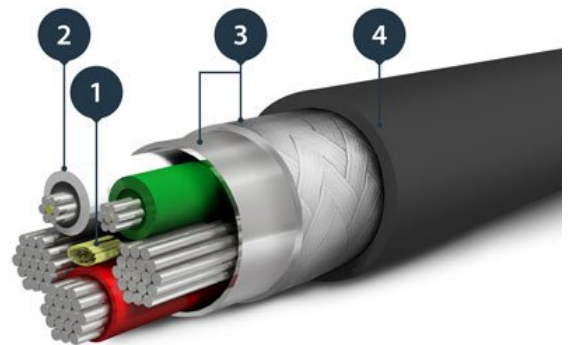

### **Built for Daily Use**

The durable USB C charging cable has aramid fiber reinforcement that shelters it from the stress of frequent bends. This also lets the cable flex without over-stretching or damaging the core of the cable.

## Cable Key Features

- 1. Aramid fiber adds strength and durability to the cable
- 2. Insulated conductors reduce friction, provide more flexibility
- 3. EMI (electromagnetic interference) protection with aluminum-mylar foil with braided shielding
- 4. TPE (thermoplastic elastomer) cable jacket is more flexible than a standard PVC cable

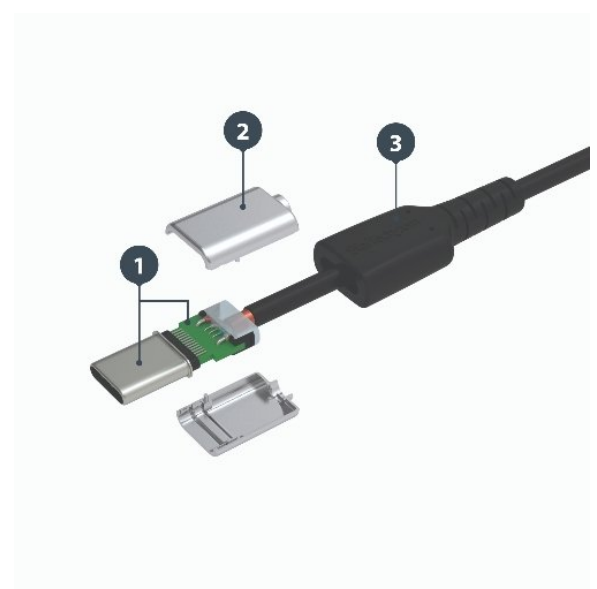

## Flexible Strain Relief

The USB A to USB C cable is constructed to prevent the connector from separating from the jacket. The extra-long strain relief molding is tested to withstand over 10,000+ bend cycles at a 180° angle.

## Connector Key Features

- 1. USB Type C connector provides 3A of power output for charging your USB C compatible devices
- 2. Metal shield protects circuit board from EMI and reinforces the connection point
- 3. Strain relief tested to tolerate over 10,000+ bend cycles at a 180° angle

## Superior Connection

The durable cable supports all USB 2.0 specifications providing a dependable connection for all your USB-C devices. It also delivers up to 60W of power to charge your devices without needing an additional power supply.

RUSB2AC2MB is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Note: DuPont™ and Kevlar® are trademarks or registered trademarks of E.I. du Pont de Nemours and Company.

### Certifications, Reports and Compatibility

### Applications

- Charge and sync your USB Type C mobile devices

### Features

- Charge your devices using a high quality USB 2.0 cable built to withstand your daily routine
- Durable USB C cable is reinforced with Kevlar® aramid fiber for increased tensile strength that is 5x stronger than steel
- Extended strain relief tested to tolerate over 10,000+ bend cycles at 180° angle
- With a soft TPE jacket, it provides flexible connections with this 2-meter USB to USB data transfer cable
- Shielded against EMI, this USB 2.0 to USB C has a metal guard protecting the circuit board

<b>Hardware</b>	Warranty	Lifetime
	Cable Jacket Type	TPE - Thermoplastic Elastomers
	Cable Shield Type	Aluminum-Mylar Foil with Braid
	Connector Plating	Nickel
<b>Performance</b>	Type and Rate	USB 2.0 - 480 Mbit/s
<b>Connector(s)</b>	Connector A	1 - USB Type-A (4 pin) USB 2.0 Male
	Connector B	1 - USB Type-C (24-pin) USB 2.0 (480Mbps) Male
<b>Physical Characteristics</b>	Cable Length	6.6 ft [2 m]
	Color	Black
	Connector Style	Straight
	Product Height	5.000
	Product Length	6.6 ft [2 m]
	Product Width	10.000
	Weight of Product	45.000
	Wire Gauge	22/32 AWG
<b>Packaging Information</b>	Package Height	70.000
	Package Length	215.000
	Package Width	125.000
	Shipping (Package) Weight	50.000
<b>What's in the Box</b>	Included in Package	1 - USB A to USB C Cable
