

## 10-32 Server Rack Screws and Nuts - 50 Pack

Product ID: CABSCREW1032

### Versatile Mounting Options

This 50-pack of 10-32 cage nuts and screws are perfect to have on hand for installing rack mount hardware, such as your server, network or audio/video equipment. The design of the captive nuts makes for easy slide-on installation. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act, allowing government GSA Schedule purchases.

The bulk pack is also suitable for new server rack and cabinet setups - perfect for those times when you drop or misplace a nut or screw. The bulk package ensures that you have enough cage nuts and screws available for all of your square hole rack installations when you need them.

### Durable Design

The steel server rack screws and cage nuts come in an all-black finish for a seamless look.

CABSCREW1032 is backed by a StarTech.com lifetime warranty and free lifetime technical support.

### Certifications, Reports and Compatibility
