Printhead

Overview

1   Black and composite color average per bottle (cyan/magenta/yellow) results based on HP methodology and continuous printing of ISO/IEC 24712 test pages. Not based on ISO/IEC 24711 test process. An additional black ink bottle is required to print 8,000 color test pages. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see http://www.hp.com/go/learnaboutsupplies.

2   See http://www.hp.com/go/suppliesclaims.

3   HP Planet Partners Program availability varies. For details, see http://www.www.hp.com/recycle. On recycled materials in cartridges, see http://www.hp.com/go/recycledcontent.
